

Contract No. _____

**LEASE AGREEMENT BETWEEN THE CITY OF CHEYENNE
AND UNION TELEPHONE COMPANY**

1. **Parties.** This Lease is made and entered into this 1st day of December, 2022, by and between the City of Cheyenne ("City"), a municipal corporation organized and existing under the laws of Wyoming, whose address is 2101 O'Neil Avenue, Cheyenne, Wyoming 82001, hereinafter referred to as the "Lessor," and Union Telephone Company, a Wyoming corporation, whose address is P.O. Box 160, Mountain View, Wyoming 82939, hereinafter referred to as "Lessee."

2. **Purpose.** The Purpose of this Lease is to allow Lessee to lease a portion of the real estate described in Attachment A, for the purpose of maintaining a communications tower, as described in Attachment B, to be used by Lessee to conduct telecommunications operations. The exact location of the leased real estate for the communications tower and telecommunications operations, along with an easement for access purposes, is described in Attachment C. Attachments A, B and C are attached hereto, incorporated by reference and expressly made a part of this Lease.

3. **Term.** The term of the Lease shall run from May 1, 2023, through November 30, 2027. This Lease may be renewed for up to four (4) successive five (5) year terms, contingent upon Lessee's agreement to increase the annual rent in accordance with Payment of Rent. Lessee shall furnish to Lessor, no later than sixty (60) days prior to the expiration of the lease term, written notice of its intent to renew or terminate the Lease.

4. **Payment of Rent.** Lessee shall pay to Lessor the sum of Fifteen Thousand Dollars (\$15,000.00) on or before the first day of May, 2023, and in advance of the anniversary date of this Lease each year thereafter. Rent shall be adjusted each Anniversary Date of this Lease in accordance with the change in the Consumer Price Index for All Urban Consumers (CPI-U) reported by the United States Department of Labor Bureau of Labor Statistics using data from the last month reported prior to the Anniversary Date, except that in no event will the rent be decreased from the previous year's amount.

5. **Responsibilities of the Lessor.** Lessor agrees that it will allow the Lessee use of the premises for the limited purposes set forth in this lease.

6. **Responsibilities of the Lessee.** Lessee agrees that it shall:

a. Use the property only for the express purpose of maintaining and operating a communications site in strict compliance with the terms set forth in this Agreement. All other uses are expressly prohibited.

b. Operate and maintain the site on the premises in a condition satisfactory to the Lessor.

c. Maintain the premises in a condition satisfactory to the Lessor.

- d. Be responsible for any and all utility construction and service charges in relation to said communications site.
- e. Erect no structures, fences, buildings or structures of any type without the prior express written consent of the Lessor.
- f. Observe all federal, state, and local laws, regulations, rules and ordinances in exercising any rights under this lease, including but not limited to compliance with all federal permitting requirements.
- g. Permit no pollution of the air, water or earth in exercising any rights under this lease.
- h. Permit no waste of the property nor shall the Lessee encumber, or allow the property to be encumbered, due to the Lessee's activities.
- i. Not interfere with radio signals of the Lessor.
- j. Upon completion of construction and upon the termination of this lease or any renewal thereof, restore the demised premises in a manner which is satisfactory to the Lessor.

7. **Special Provisions.**

a. Third-Party Co-Location Not Permitted Without Lessor's Express Written Consent. Lessee expressly agrees and understands that it may not co-locate, sublease, assign or otherwise permit installation, attachment or placement of any equipment not expressly approved in this Agreement on the tower without Lessor's express written consent; provided however, that Lessee may co-locate equipment owned or operated solely by its subsidiaries without Lessor's express written consent. The Parties agree that Lessee's right to permit the installation and placement of equipment for one (1), and only one (1) co-locator is fully contained and expressly approved herein.

b. No Conflict with Lessor Operations. Lessee expressly agrees that it, and its sub-lessees, shall conduct their operations in a manner to avoid any conflict with current and future Lessor operations. In the event of any conflict, Lessee, and its sub-lessees, expressly agree to modify their operations and procedures upon demand of the Lessor to accommodate Lessor's reasonable needs. In the event Lessee is required to modify its operations or procedures from those in effect at the date of execution of this Agreement as a result of changes in Lessor's operations, relocation of the tower shall be at the expense of the lessor.

c. Insurance Required. Lessee agrees to furnish proof of comprehensive general liability insurance in the minimum amount of One Million Dollars (\$1,000,000) per claim and Two Million Dollars (\$2,000,000.00) aggregate per occurrence. Such insurance shall include, but not be limited to coverage for any damage to Lessor's property, operations, tower, equipment, supplies or materials, and any damages sustained by any third persons as a result of Lessee's operations, tower and related equipment. Lessee shall maintain such insurance coverage in effect during the initial term of this lease, and any renewal thereof. Lessee shall provide proof of liability insurance coverage at the time of execution of this lease agreement and at reasonable times thereafter upon demand by Lessor. Lessor shall be named as an additional insured in the Lessee's

comprehensive general liability insurance policies. In addition, Lessee shall provide the following insurance coverages at all times during the initial and any renewal terms of this Lease agreement.

Business Automobile Insurance

Including owned, non-owned and hired vehicles with minimum limits for bodily injury and property damage of \$500,000 per accident for the entire term of this Lease agreement, including any renewal terms thereof.

Workers' Compensation

Workers' Compensation coverage shall be in effect, as required by Wyoming law, for all employees or agents providing services under this agreement. Lessee shall provide Lessor with proof of workers' compensation or employer's liability insurance coverage.

Crime Insurance

In an amount not less than \$500,000 per occurrence.

Additional Insurance Information

The Lessee shall name the Lessor as an **Additional Insured** by endorsement on its insurance policies, with the exception of worker's compensation and crime insurance, and shall provide the Lessor with a copy of the endorsements.

Lessee shall provide the Lessor with certificates of insurance acknowledging the above-stated coverages prior to exercising any of its rights under this Lease agreement.

It is understood and agreed that these policies are primary and not contributory. All insurance certificates provided by Lessor must include a clause stating that the insurance may not be canceled, amended or allowed to lapse without at least thirty (30) days advance written notice to Lessor. In addition, Lessee shall provide the Lessor with copies of insurance policies and /or policy endorsements listing the Lessor as an additional insured, except with respect to worker's compensation and crime insurance. The Lessor's failure to request or review such policies, endorsements, and certificates shall not affect the Lessor's rights or the Lessee's obligations to provide the insurance coverages described herein.

Any insurance company providing coverage under this agreement shall have a minimum A. M. Best rating of A- (excellent).

d. Facility Ownership. It is expressly agreed and understood that legal and equitable title to any improvements placed upon the property by Lessee under this lease, including but not limited to the tower, antennas and any and all other related equipment, material, goods or supplies, shall at all times be in the name of the Lessee.

e. Facility Management. It is expressly agreed and understood that Lessee's facility, including but not limited to the tower, antennas, and any and all other related equipment, material, goods or supplies, shall at all times be managed by Lessee and that this duty shall not be delegated, without Lessor's written consent.

f. Strict Adherence Required: Summary Termination. It is further expressly agreed and understood that Lessee shall strictly comply with and adhere to all provisions of this Agreement. In the event of any breach or default of performance, Lessor shall provide written notice to Lessee. Lessee shall have thirty days from receipt of said written notice to cure any such breach or default in performance, provided however, that Lessor and Lessee may, by mutual agreement in writing, extend the time for cure of any breach or default of performance. In the event Lessee fails to cure any breach or default of performance within the time limits provided by this Agreement, this lease may be summarily terminated and all materials, structures, equipment and related items may be removed from the property at Lessee's expense.

g. Cancellation or Termination by Lessee. The Lessee may cancel and terminate this lease, without process of law, with or without cause, without liability, by giving thirty (30) days written notice to cancel or terminate. In the event that Lessee should exercise its right to terminate this lease by provision of written notice as above provided, all prepaid rents shall be returned to the Lessee. Occupation of the leased premises by Lessee for any part of a calendar year shall be deemed occupation for the entire year for the purpose of computing the refund.

8. General Provisions.

a. Americans with Disabilities Act. The Lessee shall not discriminate against a qualified individual with a disability and shall comply with the Americans with Disabilities Act, P.L. 101-336, 42 U.S.C. § 12101, *et seq.*, and any properly promulgated rules and regulations related thereto.

b. Amendments. No changes, modifications, revisions or amendments to this Agreement may be made or shall be valid in the absence of the execution of written agreement by the parties hereto. No oral amendment or modification of this Agreement shall be valid or have any force or effect.

c. Applicable Law/Venue. The construction, interpretation and enforcement of this Agreement shall be governed by the laws of the State of Wyoming. The courts of the First Judicial District, Laramie County, Wyoming shall have exclusive jurisdiction over any disputes arising under this Agreement and any actions relating to the interpretation or enforcement of this Agreement shall be brought only in the First Judicial District.

d. Assignment. This Agreement may not be assigned to any other party without the express written consent of the Lessor. Any unauthorized effort to assign this lease shall result in its immediate termination.

e. Assignment Upon Default to Lender. With Lessor's express written consent, this Agreement may be pledged as collateral in connection with any financing obtained by Lessee to fund capital improvements or operations, which consent shall not be unreasonably withheld. The Lessor reserves the right to refuse to approve the assignment of this Agreement in the event the proposed assignee refuses to assume the Lessee's duties to indemnify the City of Cheyenne and the Lessor as provided for in this Agreement.

f. Compliance with Law. The Lessee, its agents, employees and officers, shall become informed of and comply with all applicable federal, state and local laws, rules and regulations in the performance of this Agreement.

g. Entirety of Lease Agreement. This Agreement, consisting of six (6) pages and Attachments A, B, C, D and E, respectively, represents the entire and integrated agreement between the parties and supersedes all prior negotiations, representations and agreements, whether written or oral.

h. Governmental Immunity. By entering into this Agreement, the City of Cheyenne and the Lessor do not waive governmental immunity, and each specifically retains all immunities and all defenses available to them as governmental entities pursuant to Wyo. Stat. § 1-39-101 *et seq.* and pursuant to any other state or federal law which provides immunity to the City of Cheyenne or the Lessor.

i. Titles Not Controlling. Titles of paragraphs are for reference only, and shall not be used to construe the language in this Agreement.

j. Waiver. The waiver of any breach of any term or condition in this Agreement shall not be deemed a waiver of any prior or subsequent breach.

k. Indemnity. Lessee agrees to defend, hold harmless, and indemnify the City of Cheyenne and the Lessor, and their officials, employees, authorized officers, agents and volunteers against any and all claims or losses arising during or resulting from the Lessee's use of the premises.

l. Termination. Lessor may terminate this Agreement for breach of its terms and conditions, for abandonment of Lessee's obligations under this Agreement, and for such other reasons as necessary to serve the public interest by providing Lessee with thirty (30) days advance written notification.

i. Upon termination due to breach or abandonment, Lessee agrees to remove the tower and any related materials and equipment from the leased premises at its own expense within a time determined to be reasonable by the Parks & Recreation Department. In such case, Lessee shall restore the site as nearly as reasonably possible to its original condition.

ii. In the event of termination in the public interest, the Lessee shall be compensated based upon the initial cost of improvements located on the lease, less depreciation as allocated over the life of the improvements as evidenced by the Lessee's Federal Tax amortization schedule.

m. Notice. All notices required to be provided in writing pursuant to this Agreement shall be delivered in writing either by regular mail or delivery in person at the following addresses:

Community Recreation & Events
Attn: Jason Sanchez
2101 O'Neil Avenue, Room 302

n. Taxes. The Lessee agrees to pay all valid taxes, excises, license fees, permit fees, bills, debts and obligations incurred by or in connection with its operations under this Agreement.

o. Prior Approval. This Agreement shall not be binding upon either party until it has been reduced to writing and approved by all necessary authorities.

IN WITNESS WHEREOF, the parties have hereunto subscribed their names as of the date first above written.
