
MEMORANDUM

TO: Mayor Patrick Collins, and City Council
FROM: TJ Barttelbort, Purchasing Manager 
DATE: May 16, 2023
SUBJECT: Consideration to Purchase between the City of Cheyenne, and Xerographic Equipment Systems, Inc. (XESI), to cancel existing copier leases and to purchase eighteen (18) new copiers

This is a Single Source purchase through Xerographic Equipment Systems, Inc. (XESI), therefore no bids were requested.

The City currently has existing leases for the eighteen (18) copiers being considered at this time.

A cost-benefit analysis has been completed on owning versus leasing the copier equipment, and it has been determined that there is a potential for cost savings by purchasing the copiers and abandoning the leases. The break-even cost savings point is at year seven (7), when a \$18,442.18 cost savings will be realized. Every year following year seven (7), the City will continue to save money by owning the copiers rather than leasing.

The basis for this Single Source purchase, is that XESI is allowing the City to terminate all eighteen (18) existing leases at no cost to the City. This penalty-free lease termination is only authorized by purchasing the eighteen (18) new copiers outright from XESI. Due to the existing contractual relationship with XESI, they are the only vendor that can terminate the leases penalty-free. If the City were to terminate the existing leases and purchase the copiers from another vendor, the penalties and fees would eliminate any potential for cost saving.

The total requested purchase amount is \$202,990.96.

Funding is provided via one (1) time distribution dollars from the State of Wyoming.

Funding: 001-21-2113-40-86936

REQUEST FOR SOLE/SINGLE SOURCE PURCHASE

DIRECTIONS:

Complete this form for all purchase requests with a sole/single source vendor. Send to the Purchasing Office before purchasing the item(s) along with the letter from the vendor indicating they are the sole/single supplier. **If over \$74,999.99, attach a copy of the legal ad and place on council.**

ITEM DESCRIPTION: Cancellation of existing leases for eighteen (18) copiers, and purchasing eighteen (18) new copiers outright from XESI.

AMOUNT OF PURCHASE: \$202,990.96

STATE REASON FOR ~~SOLE~~ SINGLE SOURCE PURCHASE (CIRCLE ONE):

The basis for this Single Source purchase, is that XESI is allowing the City to terminate all eighteen (18) existing leases at no cost to the City.

This penalty-free lease termination is only authorized by purchasing the eighteen (18) new copiers outright from XESI.

Due to the existing contractual relationship with XESI, they are the only vendor that can terminate the leases penalty-free.

In this Cost Per Print Agreement, as it may be amended or supplemented from time to time (the “**Agreement**”), the word “**Customer**” means the Customer named above. “**Company**” means Xerographic Equipment Systems, Inc., an authorized Xerox® Managed Print Services channel partner. “**Xerox**” means Xerox Corporation.

1. SERVICES. COMPANY OR XEROX WILL PROVIDE THE SERVICES (“**SERVICES**”) AS DESCRIBED ON ONE OR MORE ATTACHED PRINT SERVICE SCHEDULE(S) (“**SCHEDULES**”) FOR THE DEVICES ON SUCH SCHEDULES (“**MANAGED DEVICES**”). The Tools (as defined below) will be used to monitor the networked Managed Devices. The Tools provide automatic service and supplies alerts to the Help Desk (e.g. low toner) and are used for automated meter collection, new device discovery, and device data collection for reporting. The Tools periodically scan approved ranges of Customer's network for devices which may be eligible to be added as Managed Devices. Devices identified through this process may be added as Managed Devices and billed at the rates identified in the Schedules. Customer agrees to pay to Company the “Minimum Monthly Charges” set forth on Schedules, any excess print charges, and all other amounts stated herein.

2. TERM AND TERMINATION. The term of this Agreement will begin on the date Company accepts and signs the Agreement and will continue for as long as devices are covered by a Schedule to this Agreement (“**Term**”). Each Schedule has its own term (“**Schedule Term**”) for the Managed Devices covered by such Schedule. Company may terminate any Managed Device covered by this Agreement at the end of a Schedule Term if Xerox gives Company notice that such device is no longer supported. Each Managed Device covered by a Schedule to this Agreement will automatically renew for additional one-year terms unless either party provides the other party with written notice of non-renewal at least 45 days, but not more than 90 days, before the end of the existing Schedule Term. Upon Customer's request, Company will provide Customer with revised pricing for the renewal term within 90 days before the end of the existing Schedule Term for the Managed Devices that will be supported at the time of renewal and will use reasonable efforts to notify Customer of the devices that are no longer supported. The annual price increase shall not exceed 15%.

3. BREAK FIX SERVICES. Except for Managed Devices identified as “Supplies Only” on the Schedules, Xerox will keep the Managed Devices in good working order (“**Break Fix Services**”).

a) If a device fault cannot be resolved remotely, Company will dispatch a service technician to perform on-site Break Fix Services, which will usually be the next business day. On-site Break Fix Services are provided Monday through Friday (excluding New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day) from 8:00AM to 5:00PM local time (“**Service Hours**”). Break-Fix Services exclude repairs due to: (i) misuse, neglect, abuse or operation of a Managed Device outside the original equipment manufacturers (“**OEM**”) specifications; (ii) failure of the Customer's PC to comply with the OEM's published specifications; (iii) act of God or other force majeure event; (iv) relocation, alterations, or use of options, accessories, service or supplies not provided by Company; (v) failure to perform any Customer Responsibilities identified in the section titled “Customer Responsibilities”; or (vi) acts or omissions of Customer or any party not affiliated with Company or Xerox.

4. SUPPLIES. Xerox/Company will furnish toner or ink (“**Supplies**”), as applicable, for Managed Devices.

a) Supplies requests may be placed by the Tools.

b) Supplies are Xerox's property until used by Customer, and Customer will use them only with the Managed Devices. Selling, transferring, bartering, or otherwise conveying Supplies to anyone is strictly prohibited and is subject to civil and criminal penalties.

5. **HELP DESK.** The Help Desk is available during the Service Hours to receive, track, escalate, process and close service issues, remotely resolve certain issues, and process Customer requests for Break Fix Services.

6. **CUSTOMER RESPONSIBILITIES.** Customer will:

- a) Notify Company if Customer wishes to relocate a Managed Device, and Company will advise Customer if Services are available at the new location.
- b) Assume that networked Managed Devices are Simple Network Management Protocol ("SNMP") enabled and can route SNMP over the network. If meter reads are not provided, Company (i) may estimate the number of prints used and invoice Customer accordingly, (ii) may charge a fee in the amount of \$ 50.00 (if left blank the amount is \$50) per Device that do not report meter readings for each month until meter readings are provided, and (iii) will adjust the estimated charge for excess prints upon receipt of actual meter readings.
- c) Provide a dedicated PC (or server) that is always connected to Customer's network ("Customer PC"); and allow Company to install, use, access, update and maintain the Tools on the Customer PC. The Tools cannot be installed on a PC where other SNMP-based applications or other Xerox Tools are installed, because they may interfere with the Tools.

7. **PRINT CHARGES; LATE FEES AND TAXES.** Each month, Customer agrees to pay Company, by the due date as set forth on the invoice, all Minimum Monthly Charges, excess print charges and all other amounts due under this Agreement (including all applicable taxes). **Customer agrees to pay the Minimum Monthly Charges each month even if Customer does not make the number of prints included with the Minimum Monthly Charge. Customer may not carry over a credit from any month during which Customer makes fewer than the minimum number of prints.** If Company does not receive payment in full on or before its due date, Customer shall pay (i) a fee equal to the greater of 1.5% of the amount that is late or \$25, plus (ii) interest on the part of the payment that is late in the amount of 1.5% per month from the due date to the date paid. Customer is responsible for all taxes (including, without limitation, sales, use and personal property taxes, and excluding only taxes based on Company's income), levies, assessments, license and registration fees and other governmental charges relating to this Agreement (collectively, "**Taxes**"). Company may periodically bill Customer for, and Customer agrees to promptly pay any Taxes. Customer authorizes Company to pay any Taxes when and as they may become due, and Customer agrees to reimburse Company promptly upon demand for the full amount (less any estimated amounts previously paid by Customer).

8. **LOSS AND DAMAGE.** Customer bears the risk of loss and damage to the Managed Devices and Customer shall continue to perform its obligations even if it becomes damaged or suffers a loss.
