

A COMMUNITY OF CHOICE

**CITY ENGINEER'S OFFICE**  
2101 O'Neil Avenue  
Cheyenne, Wyoming 82001

## MEMO

**TO:** Honorable Mayor Patrick Collins, City of Cheyenne  
City Council Members

**FROM:** Thomas D. Cobb, PE, City Engineer 

**DATE:** August 22, 2023

**SUBJECT:** **A RESOLUTION TO ACCEPT AND APPROVE THE FEDERALLY FUNDED DRY CREEK DRAINAGE MASTER PLAN UPDATE SUBMITTED BY GLM DESIGN GROUP**

---

Please find the attached the above referenced resolution for your approval and execution. The agreement is summarized below for your information.

### **Purpose of Project:**

the purpose of the plan is to update the 1988 Dry Creek Drainage Plan to reflect risk to life and property resulting from new developments with effect the drainage. The goal of the plan is to gather information necessary to identify and prioritize drainage mitigation projects which minimize negative impacts of current drainage problems and to inform future decisions on proposed development which minimize risk to life and property from poor drainage. More details on the purpose and need are available on the City Share Drive at:

<S:\Engineering Department\Dry Creek Master Plan Update>

### **Purpose of Resolution**

The purpose of the resolution is to provide proper closeout of the FEMA Grant ID: 18FEMA-CHE-HM-4327AAB, Dry Creek Drainage Master Plan Update Project administered by the Wyoming Office of Homeland Security.

RESOLUTION NO. \_\_\_\_\_

**ENTITLED: "A RESOLUTION TO ACCEPT AND APPROVE THE  
FEDERALLY FUNDED DRY CREEK DRAINAGE MASTER PLAN  
UPDATE SUBMITTED BY GLM DESIGN GROUP."**

WHEREAS, the City of Cheyenne received a grant from the Federal Emergency Management Agency (FEMA), which is administered by the Wyoming Office of Homeland Security, to update the 1988 Dry Creek Drainage Master Plan ("Plan");

WHEREAS, the purpose of the FEMA grant was to provide funds to the City to update the Plan to reflect potential risk to life and property resulting from new development projects, which can effect drainage. The goal of the updated Plan is to gather information necessary to identify and prioritize drainage mitigation projects which minimize negative impacts of current drainage problems and to inform future decisions on proposed development which minimize risk to life and property from poor drainage;

WHEREAS, over the past fourteen months and eighteen days, the City has been engaged in a strategic planning process with GLM Design Group to update the 1988 Dry Creek Drainage Master Plan;

WHEREAS, on September 11, 2023, the City will hold a public hearing to review and on accept the Plan; and,

WHEREAS, GLM Design Group has provided the City with a complete copy of the Plan that provides risk analysis and recommendations for implementable actions to prepare and mitigate areas of concern for loss of life and reduction of annualized flood disaster damages within the one-hundred-year (100) floodplain of the city limits.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF CHEYENNE, WYOMING, that the Dry Creek Drainage Master Plan submitted by GLM, Design Group be finalized and accepted as complete.

PRESENTED, READ AND ADOPTED this \_\_\_\_\_ day of \_\_\_\_\_, 2023.

\_\_\_\_\_  
Patrick Collins, Mayor

(SEAL)

ATTEST:
