

Cheyenne SC

Capital Case Statement 2023

Mission

Cheyenne Soccer Club's mission is to build character, skill, and community in youth soccer players in Cheyenne & Laramie County.

About CSC

Cheyenne SC strives to develop young players into valuable citizens by **promoting teamwork, discipline, and a positive attitude**. CSC's programming includes:

- Recreational Soccer
- Player Development Program
- Competitive / STING Program
- High School Select
- Co-Ed Adult League
- 3v3 League
- Youth Futsal
- TOPSoccer (adaptive)

CSC's History

Founded in 1978, Cheyenne Soccer Club is a volunteer soccer club with a mission to promote youth soccer in Cheyenne, WY and Laramie County.

STING got its start in 1981, when it became apparent a competitive level of soccer was sought by players and parents in the local recreational program.

Growth of a sport in a community doesn't just happen, but rather through dedicated and passionate people who devote their time and effort into developing a soccer club in Cheyenne, WY like the Cheyenne Soccer Club.

The club began TOPS (The Outreach Program for Soccer) in 2014. It is a community-based training program for all athletes at any age with intellectual, emotional, and or physical disabilities. The program strives to provide soccer opportunities for players to develop at their own pace in a safe, fun and supportive / inclusive environment.

North Cheyenne Park

Current Conditions

Approximately 117 acres consisting of 10 soccer fields of varying sizes, play area, picnic facilities, tree farm, archery range, restroom, concessions and soft surface hiking and mountain biking trails.

Existing Amenities & Infrastructure

- Parking lot - undeveloped and unpaved
- 10 grass soccer fields - maintained by the City of Cheyenne
- Core area including:
 - 2 small shelters with bathroom & concessions
 - Playground area and metal benches
 - Picnic area
- Archery area

Why Renovate?

- ADA Accessibility to all amenities in the park
- Existing buildings not in use because of need for renovation
- Parking circulation causes traffic jams
- Fields in existence do not meet demand

Park Plan - Entire Complex

Mynear Street at Ridge Road

Cheyenne SC is working closely with the City to develop a community resource with planned Park renovations, implementing a phased approach for the Park plans.

Phase Breakdown

- Phase 1: Indoor Complex
- Phase 2: Renovations to & expansion of existing outdoor infrastructure

A Capital Campaign plan and timeline has been professionally prepared by Cogeio, a nationally recognized fundraising and capital campaign consulting firm.

Based on their expertise, planning study analysis and results, and experience in the sector, they have recommended implementing a phased approach, beginning with the Indoor Complex.

CSC's Vision is to give access to as many local sports organizations as capacity allows, including **Baseball, Softball, Lacrosse, Football, and more!**

Proposed Project **Elements**

Phase 1 - \$70mm*

Indoor Complex, 11.8 acres

- **Fields:** 2 Indoor, all-weather turf fields, full size
 - Available for practice, games, and tournaments year round
 - *Exploration for inclusion of other sporting elements in progress, including:*
 - *track & field course, baseball/softball elements, lacrosse, football etc.*
- **Amenities:**
 - Bathrooms
 - Locker Rooms
 - Office Spaces
 - Equipment Storage
 - Concessions
- **Parking:** 200+ additional parking spaces
 - Complex connected to already existing road around greater North Cheyenne Park

**Not an exact estimate. Accurate cost estimates are in progress.*

A topographic map of North Cheyenne Park, Wyoming. The map features contour lines indicating elevation. A red dashed line outlines a specific area in the lower-left quadrant, which contains two rectangular structures representing an indoor sports facility. These structures are shown with internal court markings. The surrounding area includes various green spaces, trees, and other park features. A yellow text box is overlaid on the upper-right portion of the map.

**The Indoor Facility in relation to the
greater North Cheyenne Park**

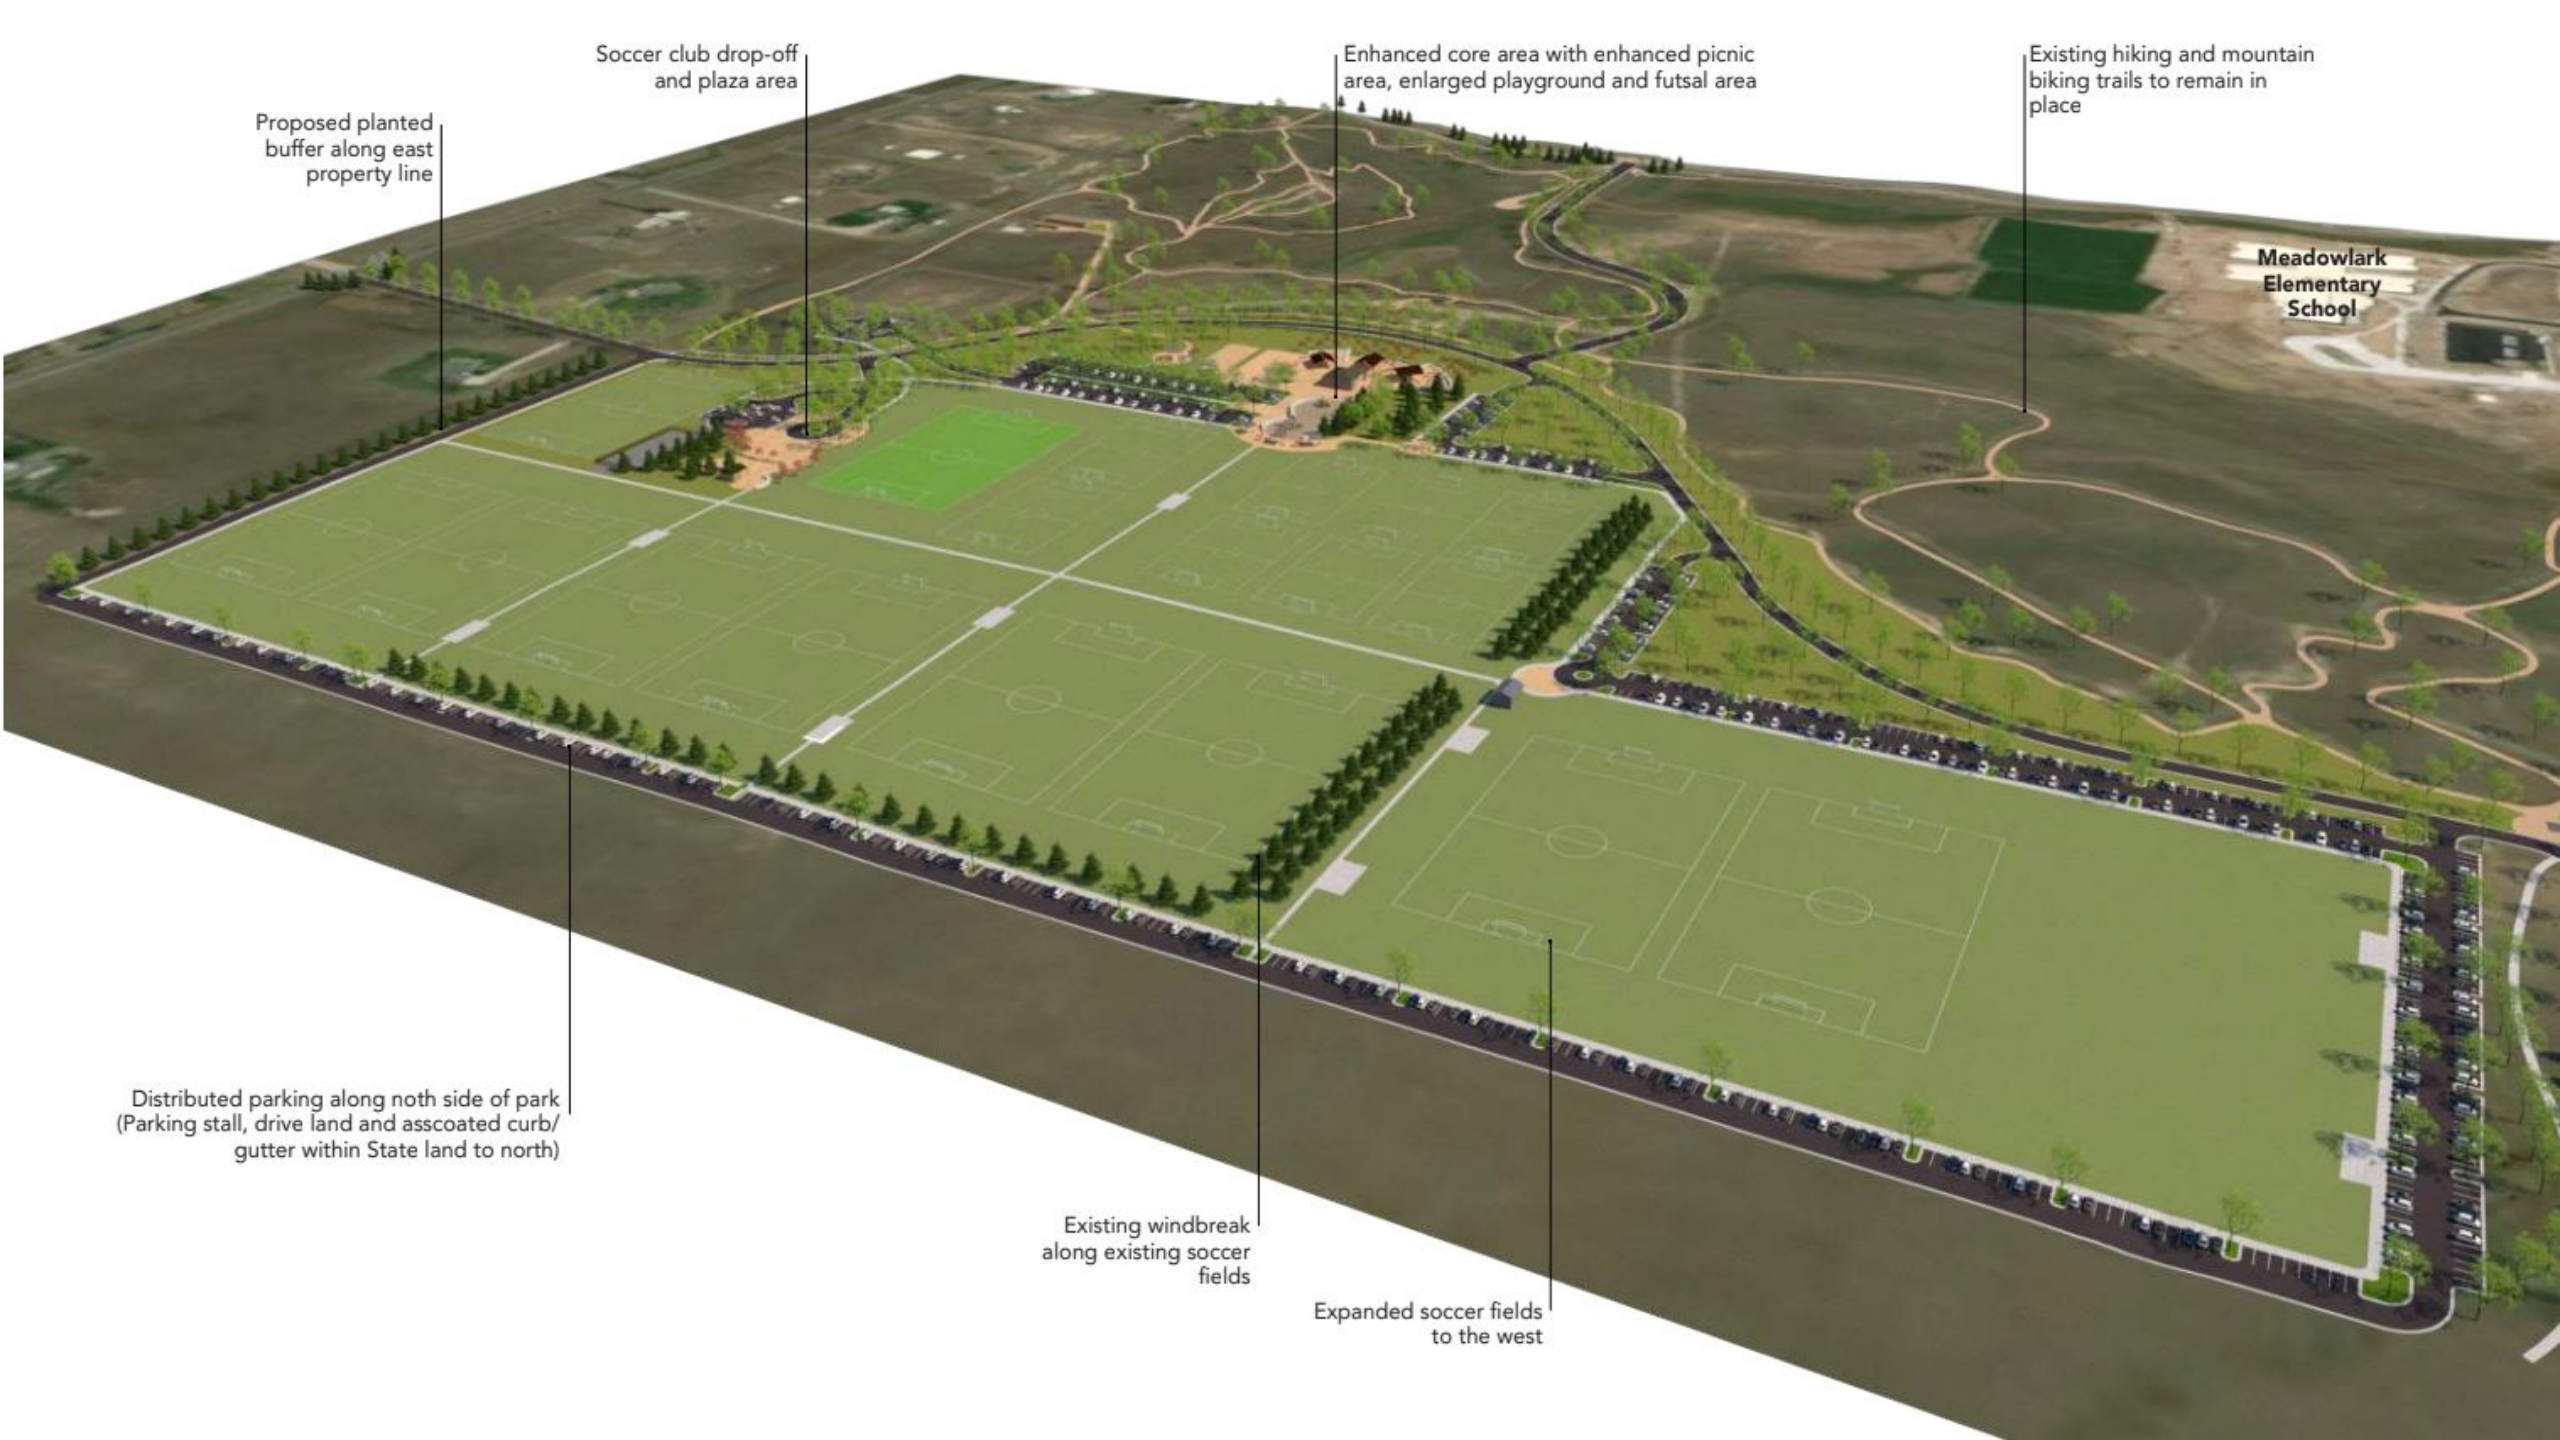

CSC's Vision is to give access to as many local sports organizations as capacity allows, including **Baseball, Softball, Lacrosse, Football, and more!**

Proposed Project **Elements**

Phase 2 - \$18.5mm

Outdoor Amenities, 117 acres

- **Fields:** *total of 12 fields*
 - 2 additional full-size, grass fields
 - Improved drainage and lighting for existing fields
- **Amenities:**
 - Improved entryway & surrounding road for traffic circulation concerns
 - Additional restrooms in various locations of the park
 - Renovated & expanded play area
 - Existing basketball courts renovated for futsal with fencing
 - Enhance hiking & mountain biking trails
- **Parking:** *total of 862 parking spaces*
 - Divided between 5 lots around the park
 - Additional drop off points surrounding the park

Proposed planted
buffer along east
property line

Soccer club drop-off
and plaza area

Enhanced core area with enhanced picnic
area, enlarged playground and futsal area

Existing hiking and mountain
biking trails to remain in
place

**Meadowlark
Elementary
School**

Distributed parking along north side of park
(Parking stall, drive lane and associated curb/
gutter within State land to north)

Existing windbreak
along existing soccer
fields

Expanded soccer fields
to the west

Championship field

Soccer club drop-off
and plaza area

Concrete viewing
node, typ.

Soccer club storage
area (10,000 SF shown)

***Birdseye view of soccer specific
parking & amenities***

Soccer club parking area (Refs,
coaches, and soccer club)

Proposed larger picnic shelters along south side of existing restroom/concessions building

Smaller picnic shelters adjacent to soccer fields and playground area

Reconfigured parking area (Main parking lot)

Birdseye view of core area

Futsal area

Enlarged trailhead area

Projected Economic Metrics

Total Visitors

41,658

Defined as annually 14,671 tournament visitors, 26,987 local use visitors.

\$160/Day/Person

The average daily expenditure of non-local visitors- lodging, dining, entertainment, retail, travel, and associated expenses. (assuming 160/day = \$65 per person/night for lodging, \$40/person food, \$20/person/day for entertainment, \$15/person/day for transportation + parking, \$20/day/person for retail purchases)

Yearly Total Economic Impact

\$8,278,032

The direct economic spending impact of the Complex that is based on expenditures for lodging, dining, entertainment, retail, travel, and associated expenses. (160*51,738)

It is expected that the complex will host **5 tournaments and 2,600+ games per year** and act as a host to **2,407 teams** for those events.

Total Non-Local Visitor Days

51,738

The total number of individual days spent in the area by non-local visitors because of tournament and complex activity.

11,736+

Number of room nights generated by tournament and facility-related tourism activity.

Annual Tax Revenue

\$827,803

10% of year total economic impact \$8,278,032

Benefits to Community

How Cheyenne and the region benefits from the project & partnership

Cheyenne SC has experienced nearly **15% game cancellations**, since Summer 2022.

Other sports and community organizations are **not immune** to the harsh weather in Cheyenne interrupting programming.

CSC's Vision

- Community Benefits:
 - Access for Lacrosse, Football, Baseball/Softball, Track & Field and more!
 - Increase the community resources for new and existing Cheyenne families
- Economic Benefits:
 - Revenue for city from local events & tournaments
 - Press exposure for the city & local businesses

CAPITAL CAMPAIGN TIMELINE

A capital campaign for Cheyenne SC has been professionally prepared, designed, and launched by [Cogeo Consulting](#), a nationally-recognized and respected fundraising-and-capital campaign consulting firm.

Phase 1 of the capital campaign is currently in the Preparation, where prospects are being identified and campaign materials crafted.

1. Preparation Phase

Planning & feasibility study performed. Foundation, corporate, and government research performed. Membership & community wealth assessment.

1.5. Leadership Identification

Identify key leadership for the campaign based on Planning Study findings, and additional research.

2. Quiet Phase

Engage identified sources for quiet phase funding & support.

3. Lead Gifts Phase

Engage and solicit (HNW) individuals, Foundations & Corporations.

4. Major Gifts Phase

Identify, expand, and engage sources of major gifts phase funding & support.

5. Community Phase

Identify, expand, and engage sources of community gifts phase funding & support.
