RECITALS

WHEREAS, the City desires to obtain a temporary construction easement for the purposes of locating, constructing, improving, and completing other necessary work as part of the DELL RANGE/VAN BUREN AVENUE IMPROVEMENTS PROJECT, including, but not limited to, the space necessary for the operation and storage of equipment and the movement of a work force, over, upon and across the described easement, together with the right of ingress and egress;

WHEREAS, the Grantor states that it is the lawful owner of the real property described herein that it has good and lawful right and authority to grant, sell, and convey said property, or any part thereof, and that it warrants the title of said property;

WHEREAS, the Grantee agrees to surrender possession of the premises upon completion of the project, and to leave the premises in substantially the same or better condition than it was on the date this easement was executed. However, it is understood that grading changes may exist upon completion of the project.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual agreement of the parties hereto, the parties hereby agree as follows:

1. **Temporary Construction Agreement.** Grantor executes this in favor of City, its successors and assigns, the right and privilege to a temporary construction easement in the Easement Area for the purposes of locating, constructing, improving, and completing other necessary work as part of the DELL RANGE/VAN BUREN AVENUE IMPROVEMENTS PROJECT, including, but not limited to, the space necessary for the operation and storage of equipment and the movement of a work force, over, upon and across the described easement. Such grant includes all rights and privileges necessary or convenient for the full enjoyment and use thereof for the above-mentioned purposes including, but not limited to, the right of ingress and egress over Grantor's adjoining property to exercise the explicit and implicit rights granted herein by this agreement.

2. **Modification.** The Grantor shall be prohibited from altering or placing anything in the Easement Area which shall obstruct or impede the City's temporary use of the area for the purpose of construction.

3. **Duration.** This Temporary Construction Easement shall commence upon the date it was executed and shall automatically expire one (1) year from the date rendered hereof or upon completion of the above referenced project, whichever event is the latest to occur.

4. **Shared Use.** The Grantor reserves the right to make any use of the Easement Area which is not inconsistent with the rights herein conveyed to the City, and which does not interfere with the aforementioned purposes of the construction of the DELL RANGE/VAN BUREN AVENUE IMPROVEMENTS PROJECT by the City.

It is understood and agreed that the enforcement and conditions of this agreement, and all rights contained herein, shall be strictly reserved to the Grantor and the City. Nothing contained in this agreement shall give any claim or right whatsoever by any third person or entity.
