City Contract No. _____

PROFESSIONAL SERVICES AGREEMENT
for
AC FOAM FOR THE CITY OF CHEYENNE HAPPY JACK LANDFILL

This Professional Services Agreement (“Agreement”) is made and entered into by and between the City of Cheyenne, located at 2101 O’Neil Avenue, Cheyenne, Wyoming 82001 (“City”), and Atmos Technologies, located at 17 Campus Boulevard, Newton Square, Pennsylvania 19073 (“Consultant”). This Agreement shall become effective upon the date of the last signature affixed hereto.

RECITALS

In consideration of the mutual covenants and obligations herein expressed, it is agreed by and between the parties as follows:

1. **SCOPE OF WORK**

The Consultant agrees to provide daily cover on the active working face of the City of Cheyenne Happy Jack Landfill every day of operation.

- a. **Equipment Installation.** Consultant shall provide, at its own expense and at a mutually agreeable location at the Landfill, one Morooka Pneumatic Foam Application Unit (PFU). Consultant shall provide the foam concentrate as needed to the City when it becomes apparent that the current supply will run out within one week and upon notification of the City. Due to the climatic conditions that will affect the foam concentrate supply requirements, Consultant shall provide 48 totes of foam concentrate per year to the City, and will make reasonable efforts to ship them in a quantity of 4 totes per shipment to minimize variable freight costs and unnecessary shipments of foam concentrate. The City shall provide a heated building to enclose the Morooka Pneumatic Foam Unit and the foam concentrate from the outdoor elements to prevent damage from freezing and other climatic conditions and unforeseen events. In addition to the heated building, the City shall provide the water needed to mix with the foam concentrate.
- b. **Ownership.** All equipment provided by Consultant for the use of AC 667 Foam shall remain the property of Consultant and the City agrees that it will not assert any interest therein. The totes that the foam concentrate is shipped in will belong to the City upon arrival to the Happy Jack Landfill to dispose, reuse, sell, gift, or use at the landfill as they reasonably desire.
- c. **Operation and Maintenance.** Consultant shall be solely responsible for the operation, maintenance, and repair of the Morooka PFU. Consultant shall keep

the Morooka PFU in good working order. Atmos represents and warrants that the Morooka PFU is fit for its particular purpose and shall at all times meet the specifications required under this Agreement. Consultant technicians will make monthly site visits to check the condition of the equipment, perform any required preventative maintenance, and conduct any needed training with City personnel. In the event of breakdown and needed repairs of the Morooka PFU, Consultant will have a technician available within 48 hours of the needed repair.

2. TIME OF PERFORMANCE

This Agreement shall commence on the Effective Date and shall terminate on the first anniversary of the Commencement Date.

3. COMPENSATION.

Following the Commencement Date, the City shall pay Consultant a flat monthly rate of \$22,500 billed on the first of every month and due by the 30th of every month. This monthly fee includes freight that shall be covered by the Consultant. The City shall pay \$0.72 a pound of foam concentrate that they use above and beyond the contractual 48 totes per year. There will be times during the year where the City will use more or less foam in a given month due to climatic conditions of rain, snow, and wind. Both parties will have a “true up” period during the 4th quarter of the current calendar year to determine if any additional charges on extra foam are needed above and beyond the agreed upon amount.

4. CONSULTANT RESPONSIBILITY

In providing services under this Agreement, the Consultant shall perform in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances. Upon notice to the Consultant, the Consultant will, without additional compensation, correct those services not meeting such a standard.

5. COMPLIANCE WITH LAWS

The Parties agree that they will perform their obligations as provided in this Agreement in accordance with all applicable laws and ordinances.

6. DRUG-FREE WORKPLACE

All architects, engineers, and other consultants under contract with City of Cheyenne, and their employees and sub-consultants, are required to comply with the provisions of the City’s Alcohol and Controlled Substance Policy for drug and/or alcohol usage on City property or other sites occupied by the Consultant while performing the duties and responsibilities of the Agreement. It is the responsibility of the Consultant to familiarize themselves with the requirements of this policy and to inform all their employees and sub-consultants of the

requirements and ensure their compliance. If the Consultant, their employees or sub-consultants are found in violation of this policy, the Agreement may be terminated.

7. INDEMNIFICATION/HOLD HARMLESS

The Consultant agrees to indemnify, hold harmless, and defend the City from and against any and all liabilities, claims, penalties, forfeitures, and suits, and the cost and expenses incident thereto, including reasonable attorney's fees, which may hereafter arise as a result the performance of the Consultant's duties, including death or bodily injury to any person, destruction or damage to any property, contamination of or adverse effects on the environment, or any violation of governmental laws, regulations, or orders to the extent caused by (1) the Consultant's breach of any term or provision of this Agreement; or (2) any negligent or wrongful act, error, or omission by the Consultant, or its employees or sub-consultants in the performance of this Agreement. - c. Consultant shall maintain said “claims made” coverage for a period of five (5) years following the last date that Consultant has provided services under this Agreement; and
- d. In the event the Consultant or the insurer terminates “claims made” coverage prior to the expiration of the periods provided in subparagraphs a., b., or c. of this paragraph, the Consultant shall provide to the City advance written notification of the termination of said coverage and shall provide the City with an endorsement for an extended reporting period (“tail coverage”) which shall be in effect for a period of time not less than five (5) years following the last date that Consultant has provided services under this Agreement.
