Please explain your interest in serving on this Board/Committee/Commission	After living in Billings, MT, and working for the county's Preservation Board, I found a sense of community, place, and pride in the region I lived through the built environment and sharing that with my neighbors and guests. Now that I have moved to Cheyenne and plan to be here for the foreseeable future, I would be privileged and honored to do the same. Not only do I have immense respect for historic buildings, sites, and locations, and their stories, but I also find it's important to share this information with the general public, locals and visitors alike, so they too can develop the same appreciation of our town and perhaps theirs as well. I would be incredibly honored to serve on the Historic Preservation Board and help drive its mission of preserving our town's historic integrity.
