MEMO

To: Honorable Mayor Patrick Collins and Members of the City Council
From: Charles W. Bloom, AICP, Planning and Development Director
Subject: Downtown Development Authority Proposed Budget - Fiscal Year 2025
Date: May 13, 2025

Background:

Attached is the proposed budget for fiscal year 2025 (July 1 to June 30). The proposed Governing Body review schedule is as follows:

- Introduction and Referral: May 13, 2025
- Public Services Committee: May 20, 2025
- Final consideration: May 28, 2025

The budget represents a \$76,649.16 increase in mill levy assessment collections (\$463,649.16) and an increase in interest earned. The interest earned estimate is based on an estimated \$1 million dollars being left in the Wyoming Government Investment Fund (WGIF) which as of April 12, 2024, has a seven-day yield of 5.19%.

The proposed budget is a decrease in the budget from the prior year. The proposed budget of \$1,049,049 is \$187,101 less than fiscal year 2024, brings in \$500,000 from reserves, accounts for a \$20,000 grant from the Cheyenne-Laramie Co. Economic Development Joint Powers Board, and \$5,000 in funding from Laramie County. The City contributes \$209,929 covering all payroll, insurance, and benefits for employees. Other City staff also support DDA employees at no cost to the DDA.

Highlights of the budget are below.

- Visit Cheyenne sponsored events:
 - o July, Downtown Express Shuttle, \$7,000.00
 - o July, Cheyenne Day, \$5,000.00
 - o September, OktoberFest/Comm App Day, \$10,000.00
 - o October, Downtown Halloween, \$4,700.00
 - o December, Old West Holiday, \$15,000.00
 - o December, Running of the Santas, \$1,800.00
 - o December, New Year's Eve, \$5,000.00
 - o April, Tales & Ales Pub Crawl, \$1,500.00

- **DDA Board Strategic Projects**
This line item replaces the previous “Large Projects” line item and provides clarity that this is a special fund to carry our unique Board projects.
- **Sponsorship**
This line item represents sponsorships to other events and organizations that may make requests throughout the year. Allocations will be made on a request basis and sponsorship funds must face public facing activities and programs that have a direct public benefit.
- **Downtown Planter Program**
This program has been increased based on discussions with potential providers.
- **Façade Improvement Program (FIP)**
This is a preservation-based facade improvement program aimed at revitalizing historical structures by restoring and enhancing their exterior appearance while fostering economic growth through increased property values and tourism. The program has not been used in that capacity recently and staff intends to further develop the program in the upcoming year. For budgeting and accounting purposes, we recommend that this and the Capital Improvement Grant program be independent line items.
- **Capital Improvement Grant (CIG) Program**
This program has been commonly used in recent years and is comprised of a majority of the grants awarded in recent years. In fiscal year 2024, \$500,000 was budgeted and it is expected that all grants will be allocated prior to the end of the fiscal year. For budgeting and accounting purposes, we recommend that this and the Façade Improvement Program be independent line items.
- **Sidewalk Match Program**
This is a new line item to carry out the “Sidewalk Repair Assistance Program” which will be in response to the City Engineering Department’s sidewalk repair initiative.
- **Logo Design Program**
Staff recommends zeroing out this program because logo and brand development results in a copyrighted product exclusive to a private party. Additionally, a similar program exists through the Wyoming Small Business Development Center Network which offers logo design assistance.

The DDA Board may elect to adopt the budget as presented or make modifications. If the DDA Board desires more discussion on this item, this can be postponed to a special meeting next week.

The DDA Board approved this budget at their April 18, 2024.
