CITY OF CHEYENNE PLANNING COMMISSION

STAFF REPORT

FILE: PUDC-24-29: Laramie Street – Assigned Zoning

LOCATION: East of Saratoga St and south of and adjacent to Laramie Street.

REQUEST: Assigning the AR zone to a property that has petitioned for annexation.

ANNEXATION APPLICANT: Cotton Jones

OWNER: Hilltop Funding Inc.

ZONING: County AR to City AR

FUTURE LAND USE: Mixed-use Residential

PURPOSE: To establish a City zoning district concurrent with annexation.

PREPARED BY: Connor White, Planner II

RECOMMENDED MOTION:

Move to recommend the Governing Body **approve** the assigned zoning for land east of Saratoga St. and south of and adjacent to Laramie Street to AR Agricultural Residential as shown in the attached zone change map, noting that the project meets the review criteria for approval.

APPLICABLE CITY CODE SECTION(S) AND PLANS:

- UDC 2.2.8 Assigned Zoning

BACKGROUND:

The applicant has petitioned for land east of Saratoga St and south of and adjacent to Laramie Street to be annexed into city limits. Annexation of a parcel requires a city zone to be established. Per UDC 2.2.8 a zone will be assigned based on the underlying county zone and per the policy document adopted by the city. Should the applicant wish to have a different zone at the time of annexation, they will be required to submit a subsequent zoning map amendment, proposing a different zone. The applicant is not requesting a different City zone at this time.

ANALYSIS OF APPLICATION CONFORMANCE WITH REVIEW CRITERIA:

Should the Planning Commission wish to recommend approval of the Zoning Map Amendment, the Commission must make the following findings required in UDC 2.2.1.d. A detailed analysis is below:

- 1) **The assigned zone is the most analogous City zone to the current zone when considering allowed uses. Zoning for standard County zones shall be assigned based on the policy document, while zones not listed on the policy document and terminated City zones shall be assigned a City zone on a case-by-case basis. (UDC 2.2.8.d.1)**

The underlying county zone is AR Agricultural Residential. The most analogous city zone is AR Agricultural Residential according to the policy document. The Assigned Zoning policy document is attached to the staff report as attachment number three.

Establishment of the City zone matches the policy document; therefore, the item **complies** with review criterion 1.

STAFF REVIEW:

Through the review process, there were no comments.

CONCLUSION:

Staff is satisfied that the application meets the review criteria set forth in UDC 2.2.8.(d).

ALTERNATIVES:

1. Recommend approval of the Assigned Zoning as submitted by the applicant (**Staff Recommendation**).
2. Recommend approval of the Assigned Zoning subject to conditions or modifications.

3. Recommend denial of the Assigned Zoning based on findings of denial. The Planning Commission must conclude that the project does not meet all the review criteria. As part of the motion, findings for denial must be stated.
4. Postpone the Assigned Zoning until issues identified during the meeting can be resolved.

General Information Regarding Alternatives:

If the Commission acts contrary to staff's recommendation or recommends conditions of approval, the Commission shall cite specific reasons (based on the review criteria) for their recommendation.

STAFF RECOMMENDATION:

Staff recommends approval of the assigned zoning for land located east of Saratoga St. and south of and adjacent to Laramie Street to AR Agricultural Residential as shown in the attached zone change map, noting that the project meets the review criteria for approval.
