### **MEMO**

To: Honorable Mayor Patrick Collins and Members of the City Council  
From: Jeanie Shrednik, PLA, Parks and Greenway Planner  
Subject: Resolution authorizing the submission of an application by the City of Cheyenne for federal funding through the Transportation Alternatives Program (TAP) administered by the Wyoming Department of Transportation, for the purpose of construction for a Greenway path for pedestrians and bicycles from the Sun Valley Open Space into Kiwanis Community Park.

Date: June 18, 2024

---

#### **Background:**

The item for consideration is an authorization from Council to submit a TAP grant application for construction of a portion of the Sun Valley to Kiwanis Park Greenway Connector. A grant application for construction of this segment was submitted last year, unfortunately the project was not funded.

The Sun Valley to Kiwanis Park Connector will be approximately 2.4 miles and will run from the existing Greenway trailhead located at Baldwin Drive, which is south of the Sun-Valley subdivision and east of N. College Drive, then head east toward the Kiwanis Community Park. Per discussions with WYDOT representatives last fall, the city has moved forward this year to complete the full design and has obtained all the needed right-of-way purchases with expectation of utilizing the TAP funds for construction in the next two years. This connector has been discussed and listed as a priority in several planning documents since 2000 and with the purchase of the Kiwanis Park property and other properties abutting the UPRR, the Greenway Advisory Committee has agreed that it is a top priority for use of 2021 6<sup>th</sup> Penny funding. Based on the estimated total cost, the project will be completed in two phases and Phase 1, Baldwin to Gettysburg, is expected to have a total cost of \$1,900,000.00. If the grant is approved, the city would pay \$900,000.00 (47%) with 2021 6<sup>th</sup> Penny funding and the TAP Grant would pay \$1,000,000.00. (53%). Submission of the grant to include a resolution by the Governing Body is due July 15, 2024.
