

RESOLUTION NO. _____

ENTITLED: "A RESOLUTION SUPPORTING THE CLEAN CROW CREEK INITIATIVE ON BEHALF OF THE GOVERNING BODY FOR THE CITY OF CHEYENNE, WYOMING."

WHEREAS, the Governing Body for the city of Cheyenne, WY recognizes the need for clean water in our creeks to support a healthy community;

WHEREAS, the Governing Body for the city of Cheyenne, Wyoming acknowledges the importance of protecting our creeks from stormwater pollution;

WHEREAS, the Clean Crow Creek Initiative aims to improve water quality through the installation and maintenance of Wyoming made catch basin stormwater filters;

WHEREAS, it is understood that in the past the city of Cheyenne has accepted stormwater filters donated by all the Rotary International Clubs of Cheyenne, the Boys and Girls Club, the Laramie County Conservation District, multiple anonymous donors, and Microsoft Corporation;

WHEREAS, the city of Cheyenne encourages and will accept donations from sponsoring businesses, organizations, or citizens who wish to contribute to the community effort of protecting the creek;

WHEREAS, the Clean Crow Creek Initiative will support the Public Works Department by reducing the amount of debris and pollutants entering the stormwater system, with the intent to decrease maintenance costs and improve operational efficiency;

WHEREAS, the Clean Crow Creek Initiative aligns with the city's goals to protect the environment for the betterment of the community, enhancing the quality of life for residents by ensuring cleaner waterways, which can contribute to public health and recreational opportunities;

WHEREAS, the implementation of the Clean Crow Creek Initiative helps the city comply with federal, state, and local environmental regulations, furthering the city's efforts to meet or exceed standards that protect the creek from stormwater pollution, and recognizing that these efforts can contribute positively to the community; and

WHEREAS, the city of Cheyenne is committed to exploring, accepting, and not unreasonably denying multiple methods of maintaining the stormwater filters, including city maintenance, hiring third-party vendors, or allowing third parties to clean the stormwater filters themselves with city approval (which will not be reasonably withheld).

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF CHEYENNE, WYOMING, that staff of the city of Cheyenne will support the Clean Crow

Creek Initiative and its goals, including the installation and maintenance of stormwater filters to protect our waterways from pollution.
