CITY OF CHEYENNE PLANNING COMMISSION

NOVEMBER 4, 2024

STAFF REPORT

FILE: PUDC-24-189: County Pocket Annexation #4. – Assigned Zoning

LOCATION: East of Ridge Road, west of Whitney Road, and along Dell Range Boulevard.

REQUEST: Assigning City zones to properties that the City is annexing.

ANNEXATION APPLICANT: City of Cheyenne

OWNER: Various

ZONING: County AR, LR, MR, and MU.

FUTURE LAND USE: Urban Residential and Mixed-use Residential.

PURPOSE: To establish a City zoning district concurrent with annexation.

PREPARED BY: Connor White, Planner II

RECOMMENDED MOTION:

Move to recommend the Governing Body **approve** the assigned zoning for land east of Ridge Road, west of Whitney Road, and along Dell Range Boulevard to AR Agricultural Residential, LR Low-density Residential, MR Medium-density Residential, and MUR Mixed-use Residential as shown in the attached zone change map, noting that the project meets the review criteria for approval.

APPLICABLE CITY CODE SECTION(S) AND PLANS:

- UDC 2.2.8 Assigned Zoning

BACKGROUND:

The City is annexing parcels that are 100% surrounded by current City Limits as part of Council's goals to annex county pockets. Annexation of a parcel requires a city zone to be established. Per UDC 2.2.8 a zone will be assigned based on the underlying county zone and per the policy document adopted by the city.

ANALYSIS OF APPLICATION CONFORMANCE WITH REVIEW CRITERIA:

Should the Planning Commission wish to recommend approval of the Zoning Map Amendment, the Commission must make the following findings required in UDC 2.2.1.d. A detailed analysis is below:

- 1) The assigned zone is the most analogous City zone to the current zone when considering allowed uses. Zoning for standard County zones shall be assigned based on the policy document, while zones not listed on the policy document and terminated City zones shall be assigned a City zone on a case-by-case basis. (UDC 2.2.8.d.1)**

The underlying county zones are AR Agricultural Residential, LR Low-density Residential, MR Medium-density Residential, and MU Mixed-use. The most analogous city zones are AR Agricultural Residential, LR Low-density Residential, MR Medium-density Residential and MUR Mixed-use Residential according to the policy document for the corresponding county zones. The Assigned Zoning policy document is attached to the staff report as attachment number two.

Establishment of the City zone matches the policy document; therefore, the item **complies** with review criterion 1.

STAFF REVIEW:

Through the review process, there were no comments.

CONCLUSION:

Staff is satisfied that the application meets the review criteria set forth in UDC 2.2.8.(d).

ALTERNATIVES:

1. Recommend approval of the Assigned Zoning as submitted by the applicant (**Staff Recommendation**).
2. Recommend approval of the Assigned Zoning subject to conditions or modifications.
3. Recommend denial of the Assigned Zoning based on findings of denial. The Planning Commission must conclude that the project does not meet all the review criteria. As part of the motion, findings for denial must be stated.
4. Postpone the Assigned Zoning until issues identified during the meeting can be resolved.

General Information Regarding Alternatives:

If the Commission acts contrary to staff's recommendation or recommends conditions of approval, the Commission shall cite specific reasons (based on the review criteria) for their recommendation.

STAFF RECOMMENDATION:

Staff recommends approval of the assigned zoning for land east of Ridge Road, west of Whitney Road, and along Dell Range Boulevard to AR Agricultural Residential, LR Low-density Residential, MR Medium-density Residential, and MUR Mixed-use Residential as shown in the attached zone change map, noting that the project meets the review criteria for approval.
