CITY OF CHEYENNE GOVERNING BODY DECEMBER 9, 2024 STAFF REPORT

FILE: PUDC-24-198: 3410 Ridge Road - Annexation

REQUEST: An annexation of 0.13 acres of land

LOCATION: North of Cheyenne Street and west of and adjacent to Ridge Road.

APPLICANT: Shane Hanson, Stiel Surveying

AGENT: Shane Hanson, Stiel Surveying

OWNERS: Donna Trumbo

PURPOSE: Connect to City utilities.

PREPARED BY: Connor White, Planner II

APPLICABLE CITY CODE SECTION(S) AND PLANS:

- UDC 2.4.2 Annexations
- PlanCheyenne

BACKGROUND:

The applicant is requesting annexing 0.13 acres of land to allow a connection to City water and sewer. The land is currently used as a single-family home. The annexed area will be assigned a City zone based on the underlying County zone. No other applications have been submitted for this property at this time.

Land annexed to the City requires a City zone. The petition to annex has been accompanied by an assigned City zone of MR Medium-density Residential zone.

SURROUNDING LAND USE AND ZONING:

	Future Land Use Designation	Zoning	Land Use
Subject Site	Urban Residential	County MR Medium-density Residential	Residential
North	Urban Residential	County MR and City MR	Residential
South	Urban Residential	MR	Residential
East	Mixed-use Commercial	CB Community Business	Vacant Commercial
West	Urban Residential	MR	Residential

ANALYSIS OF APPLICATION CONFORMANCE WITH REVIEW CRITERIA:

To accept the petition to annex and approve the annexation Ordinance, the Governing Body must make the following findings required in WS 15-1-402; a detailed analysis of which is below:

- 1) An annexation of the area is for the protection of the health, safety and welfare of the persons residing in the area and in the city or town. [WS 15-1-402 (a) (i)]**

The annexation of this property will increase the health, safety, and welfare of the future occupants. By being in City limits, the property will receive access to City Fire and Police and sanitation services. By being within City Limits the property will be able to connect to City services.

The application **complies** with this review criterion.

- 2) The urban development of the area sought to be annexed would constitute a natural, geographical, economical and social part of the annexing city or town. [WS 15-1-402 (a) (ii)]**

This property is developed with a single-family home on a parcel smaller than those currently allowed by the County, this is urban development that already is a natural, geographic, economic, and social part of the city. The property is adjacent to the City to the south, east, and

west. The contiguity to the City and the proximity to surrounding urban-style development makes the parcel a natural geographic part of the City. The annexation of this property will benefit those who live within the City and will be a part of the social and economic fabric that is Cheyenne.

The application **complies** with this review criterion.

- 3) The area sought to be annexed is a logical and feasible addition to the annexing city or town and the extension of basic and other services customarily available to residents of the city or town shall, within reason, be available to the area proposed to be annexed. [WS 15-1-402 (a) (iii)]**

The area is a logical and feasible addition to the City due to the reasons previously listed. All City services normally available to residents will also be made available. Police and fire protection will be extended upon annexation. Most utilities are within the area.

The application **complies** with this review criterion.

- 4) The area sought to be annexed is contiguous with or adjacent to the annexing city or town, or the area meets the requirements of W.S. 15-1-407. [WS 15-1-402 (a) (iv)]**

The area proposed for annexation is about 75% contiguous.

The application **complies** with this review criterion.

- 5) If the city or town does not own or operate its own electric utility, its governing body is prepared to issue one (1) or more franchises as necessary to serve the annexed area pursuant to W.S. 15-1-410. [WS 15-1-402 (a) (v)]**

Utility franchises are in place to serve the annexed area.

The application **complies** with this review criterion.

- 6) The annexing city or town, not less than twenty (20) business days prior to the public hearing required by W.S. 15-1-405(a), has sent by certified mail to all landowners and affected public utilities within the territory a summary of the proposed annexation report as required under subsection (c) of this section and notice of the time, date and location of the public hearing required by W.S. 15-1-405(a). [WS 15-1-402 (a) (vi)]**

A certified mailing was made to the landowners and public utilities on November 1, 2024. The public hearing for this annexation is scheduled for December 9, 2024. Twenty (20) business days (on the City's calendar) prior to the announced public hearing is November 6, 2024. The earliest confirmation of delivery was dated November 4, 2024.

The application **complies** with this review criterion.

CONFORMANCE WITH APPLICABLE PLANS:

The project is located in an area covered by the following plans:

- Plan Cheyenne

The Future Land Use Map of PlanCheyenne, as updated by Connect 2045, anticipates this area of the community to develop with urban residential uses. These areas are expected to develop with full access to urban services – such areas are best served by being within City limits. The area is within the Urban Service Boundary.

STAFF REVIEW:

No major comments were received.

CONCLUSION:

Staff is satisfied that the application meets the review criteria and therefore recommends approval of the annexation.

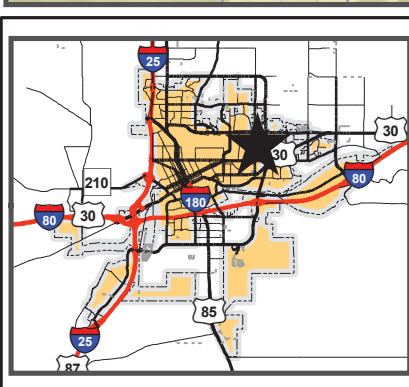

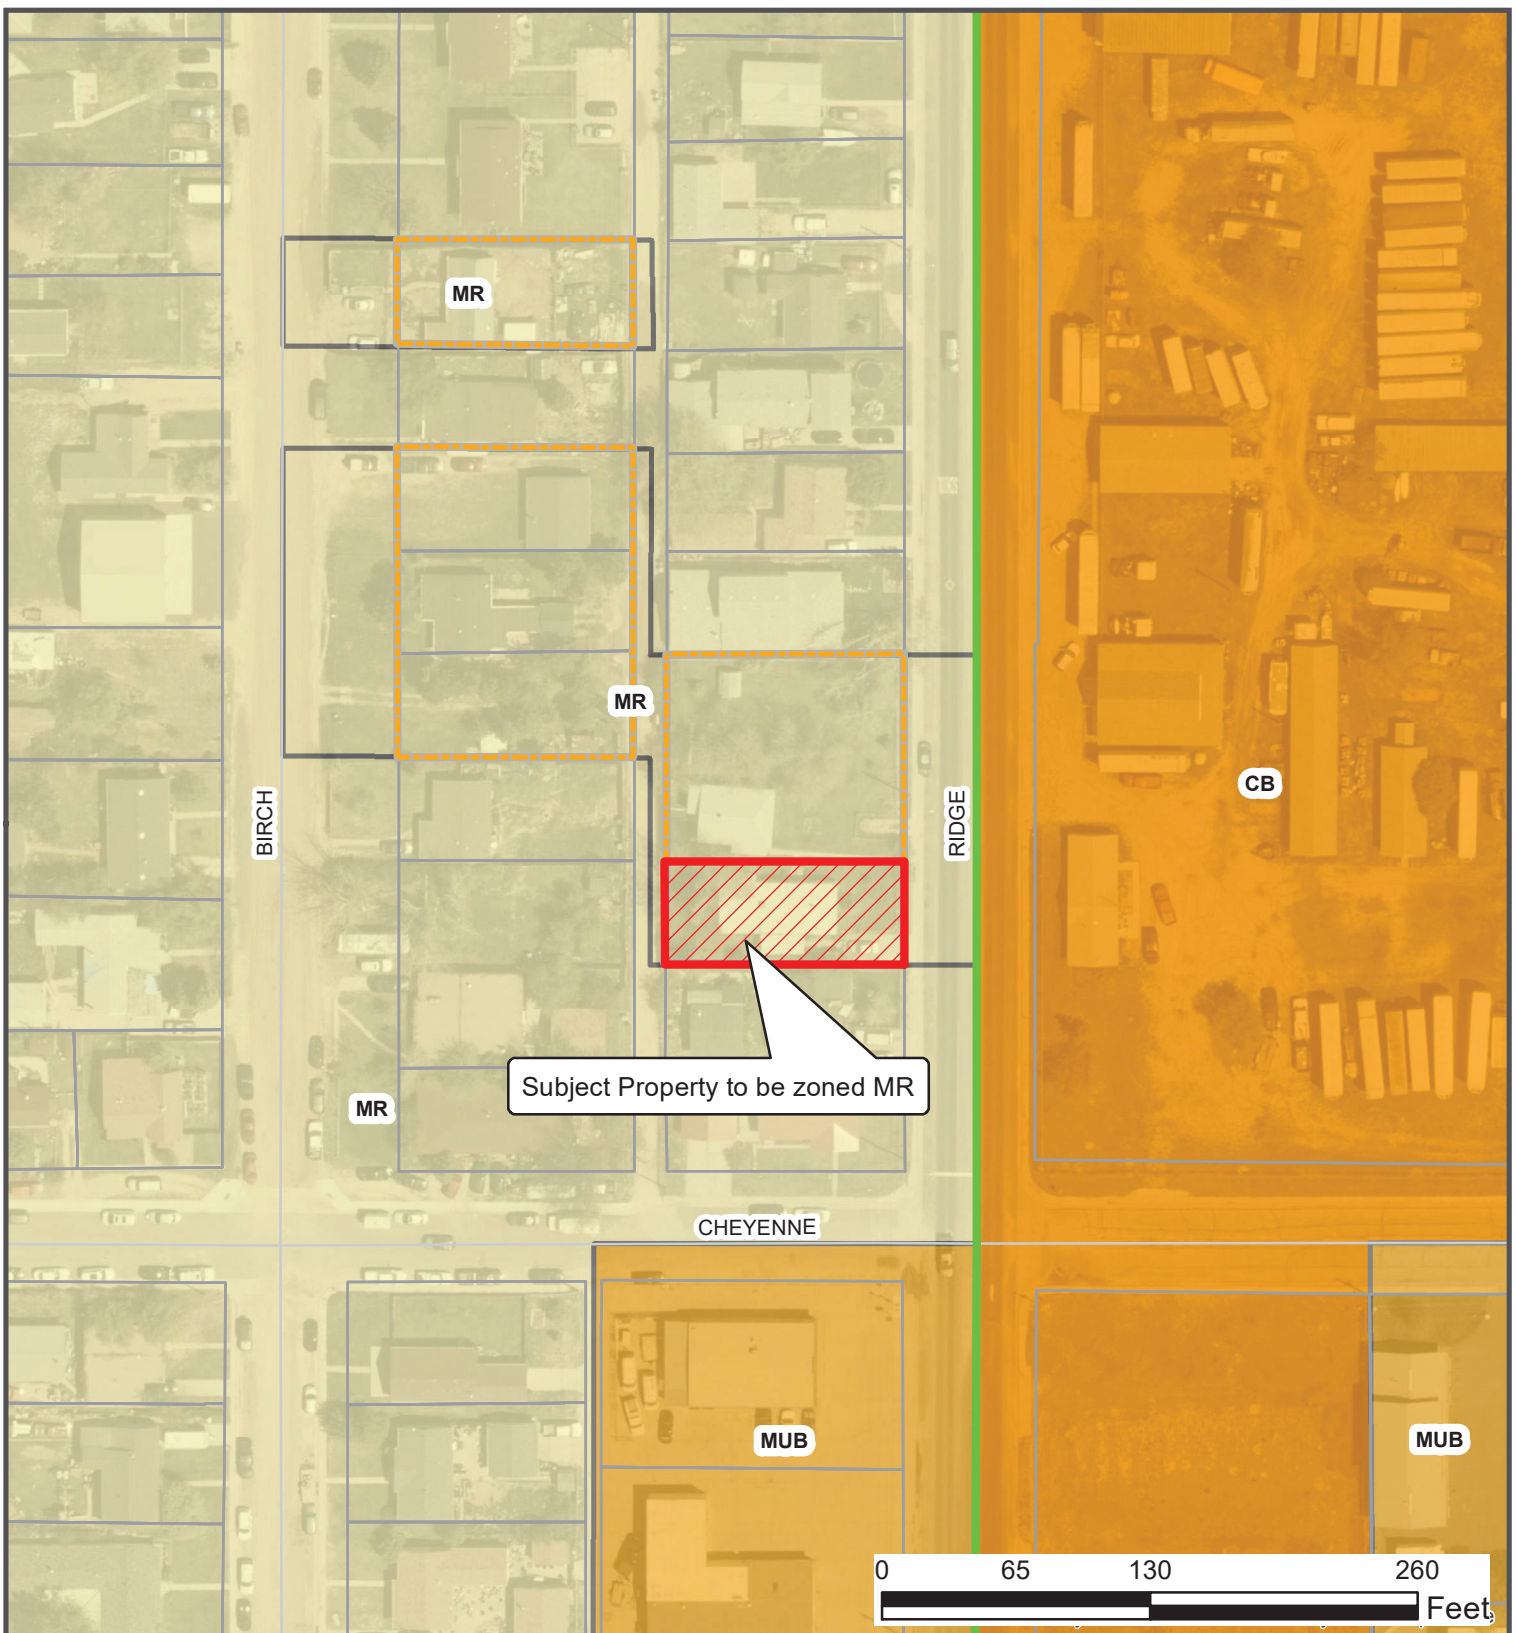

The proposed annexation is a natural extension of the City, is contiguous to the current City limits, and most services typically available to urban areas are available to be extended to this property.

STAFF RECOMMENDATION:

Staff recommends approval of the annexation of the property.
