Please explain your interest in serving on this Board/Committee/Commission

I spoke with Mayor Collins at the annual Chamber banquet a few weeks ago about my interest in this council. I have an 18-year-old son with Down syndrome and I have many ideas and thoughts about how Cheyenne and surrounding communities can better service our population of adults with disabilities. Mayor Collins requested I fill out this online application to be considered for future openings on the council.

Other City or community volunteer experience

I am a CASA advocate, I run a Best Buddies Club at East High (inclusive friendship club for students with and without intellectual disabilities {IDD}), I run a community group for local families with kids with Down syndrome. Last fall, I wrote a letter to the editor of our paper about the importance of DVR and including people with disabilities in our workforce.

Skills & Experience

Most importantly, I am the parent of an adult son with Down syndrome. I have been involved in the disability community formerly in Colorado for many years, and in Cheyenne for 4 years. I would like to know more about current available supports in Cheyenne for adults with disabilities and help further the inclusion and support in Cheyenne for adults with disabilities. I am extremely passionate about helping to create a community where our people with IDD can thrive and be looked upon as
