Justin Arnold, Planning Manager, introduced the changes that are proposed to the 2022 Laramie County Land Use Regulations. Although the LCLUR is going through a complete overhaul these few changes will cleanup a few inconsistencies prior to the adoption of the larger rewrite. The changes will eliminate the concurrent filing of a Preliminary Development Plan application with a Subdivision Permit and Plat application, to increase the PDP requirement for actions over nineteen (19) lots, and to clarify when Community Facility Fees and Public Safety Fees are assessed.

Chairman Caughey opened the Public Hearing for comments on the 2024 LCLUR Updates. Hearing no comments Chairman Caughey closed the hearing and called for a motion and discussion.

A motion was made by Mark Smith, seconded by John Watkins to recommend adoption of the proposed amendments to the 2022 Laramie

County Land Use Regulations. Vote 4-0.
